Report of Principal and School Improvement Council

The 2012-2013 school year was filled with many learning opportunities for students at Oakbrook Elementary School. Students participated in learning activities in their classrooms as well as service learning projects. Classroom lessons were engaging and creative. This year our service learning projects included tabs for the Ronald McDonald House, SPCA donations, donations to Newborns in Need, Jump Rope For Heart, The American Cancer Society, American Red Cross, puzzles for Oakbrook Health and Rehab center, and contributions to the Palmetto House.

Our mission statement, "Oakbrook Elementary provides students with the skills necessary to be productive citizens," drives our curriculum decisions to meet the multi-faceted needs of our students. We are proud of the academic accolades received this school year. The school received the Palmetto Gold Award for Outstanding Student Achievement and the Palmetto Silver Award for Closing the Achievement Gap. At Oakbrook Elementary School we continue to live our motto of "Opportunities for Everyone to Succeed with rigor, relevance and relationships." Students were allowed to grow outside of the classroom through club activities that included Robotics, Bears on the Run, Student Council, Chorus, Safety Patrol, and Technology Club.

Analyzing student data continues to be emphasized in order to better meet the needs of our individual students. This year the school implemented universal screeners utilizing AIMS Web for kindergarten through second grades and Scholastic Reading Inventory (SRI) and Scholastic Math Inventory (SMI) for third through fifth grades. Our Title One plan continued to focus on strong staff development activities to develop a systematic writing program and vocabulary enhancement tools. For the second year, we implemented a researched-based reading program for our third grade students called System 44. Our highly trained staff meets the instructional demands of South Carolina curriculum standards daily.

With an overall rating of Excellent on this year's state report card as well as an Excellent rating in student growth, Oakbrook Elementary will continue to strive for excellence in our classrooms. Our staff continues to research best practices to meet the diverse needs of our learners. Our challenge for the upcoming year is the implementation of the Common Core Standards in grades three through five, as well as improving writing proficiency. Our Title One plan will focus on Response to Intervention to assist students with academic achievement.

Due to the dedication and commitment of our staff, parents, and community, we will continue to "Plant Seeds of Excellence."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
